

For quality in Events

# Conferences from Concept...

# ...To Completion

# Conferences tailored to you

- We will work closely with you to mould creative, unforgettable experiences that will engage delegates.
- With 25 years experience, there is no project too complex for us to deliver.

# Our Team

- Our experienced technical team will work tirelessly and professionally on your conference.
- We offer quality, personal service that you can rely on.

# Creative Set Design

- From conferences to weddings, and everything in-between, we will work with you in designing modern and inventive sets.

# Theming

- Years of experience in theming means that we can cater to all requests.

# Smaller Events

- We cater to all needs, and that includes smaller events. We offer creative ways to get great impact on a lower budget.
- Our High Resolution 23 inch monitors are perfect for rooms with a low ceiling height, or obscured sight-lines.
- Even in high light situations, the images on screen will still be crystal clear. This gives us the flexibility to deliver a great experience.

# Large Events

- Over the past 25 years, we have provided events for clients as varied as the Conservative Party, NFU Mutual and British Telecom.
- With our state of the art technical equipment, we can provide you with a High Definition experience in both sound and video.
- No stage request is too big, from small central stages to large stages 50 metres across.

# Our Links

- Our links within the conference industry mean we are only a phone call away from providing you with a large array of associated services.
